Methods we teach · fields they are used in

How it runs

• The rhythm

Every other week

Dates set together, flexibly

Individual allocations will be decided during the first session.

Semester 1 ·

1st Oct – 10th Dec 2026

Semester 2 · to follow

2026	2027
Oct	Jan
1, 15, 29	21
Nov	Feb
12, 26	4, 18
Dec	Mar
10	4, 18

	MON	TUE	WED	THU	FRI
09:00					
11:00					
13:00					
15:00					
17:00				17:00–18:00	

• A session

In-person by default

One hour · 17:00–18:00

Someone starts, everyone joins in

Any material, any format

Listening counts

17:00

Someone starts.

Slides, a PDF, a notebook, or a draft that is not finished. Around thirty minutes, give or take.

17:30

Everyone else starts.

Questions, objections, “have you tried…”. This is the useful part, and nobody is grading it.

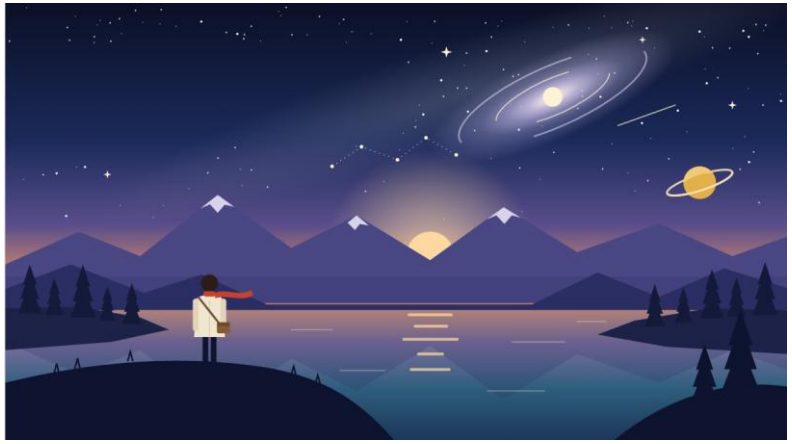

18:00

We go home or have a dinner.

What you will get from the community

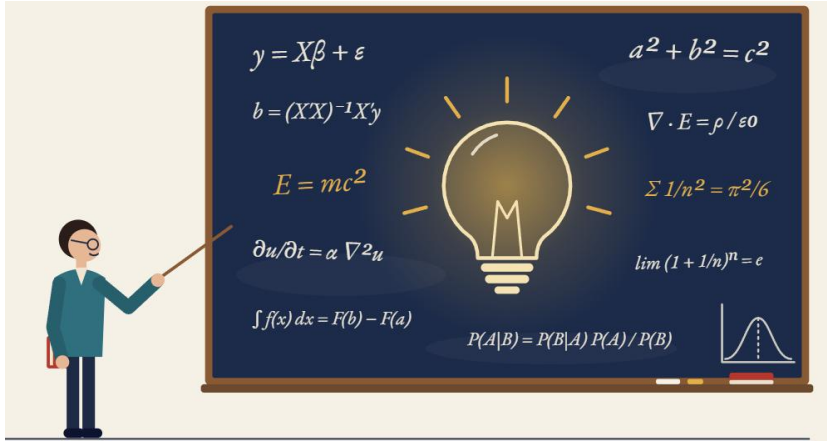

A wider view

of research in other fields

PhD-level knowledge

chosen by the speakers as useful to everyone

A close, long-term network

of alumni and peers
